

INVEST, A PLATFORM TO RECOGNISE SPECIALISTS

Dr. Tarapada Pyne, FCVS

One of the main objectives of CVS's International Conference on Vibration Engineering, Science and Technology (INVEST), is to recognize nation's Vibration Experts from this country's Exclusive Vibration Platform, CVS. The main attraction of inaugural session of

INVEST22 was felicitation of Dr. Amiya Ranjan Mohanty, Professor and past HOD, Mechanical Engineering, IIT Kharagpur, who was bestowed upon the honor of **“EMINENT VIBRATION EXPERT”**. Dr. Mohanty was present online as he could not make it physically due to our short notice and his scheduled other appointments. The citation was received, on his behalf, by one of his Research scholars, Dr. Chinamaya Kar, Reliability & CBM Specialist in Honeywell International Automation Ltd, UAE

FNAE, FASI, FCMSI, FIE, FISEAM, FCVS, CEng (I)
<https://www.iitnoise.com/>

CVS is happy that the INVEST's first 'EMINENT VIBRATION EXPERT' honor reaches to the right person who is passionate about Vibration and has contributed a lot to academia and industry in the field. CVS wishes many more felicitations in his lifetime! Henceforth, he becomes Lifetime Honorary Fellow of CVS (FCVS) also.

Few moments:
